

Manual DatemaDirect

Version 2016 - January

DATEMA
NAUTICAL SAFETY

WELCOME TO DATEMADIRECT

www.DatemaDirect.nl is our online customerportal which allows you to monitor and manage all your dealings with Datema for your individual vessels and/or fleet. DatemaDirect offers you all the information you need in a clear and comprehensive manner, tailored to your needs.

DatemaDirect has the following functionalities:

- Management of your electronical nautical charts, eBooks, NTM, etc.
- Online ordering including tracking of orders to delivery
- Online outfit management of nautical charts and publications
- Online insight into your medical chest
- Possibility to check the status of orders and also insight into your orderhistory
- Online insight into your invoices, i.a. satellite communication
- Fleet monitoring and tracking
- NEW: eLearning, the platform for video tutorials and manuals for the different products and services we offer.

This manual explains the possibilities of DatemaDirect per tab and it will guide you through the use of this portal. If you have questions, comments or if something is unclear, please contact us. We will gladly help you!

Kind regards,
Datema Team

LOGIN

A username and a password are required to login on www.datemadirect.nl. You may have received this already, but if you do not have a login/password, you can apply for it via 'request account'. If you have forgotten your login details, please request this information via the 'Forgot your password' button.

If you click on the 'login' button, you will go the 'fleet' tab. On the left side of this screen you will find the legend of the various services and products. In the adjacent field you will find an overview of your entire fleet, including the icons of the services/products activated for these ships.

The activated services can be viewed by ship by clicking the name of the ship.

TAB FLEET - GENERAL INFO

The icons of the purchased services/products are displayed as legend (left). On the right the purchased services/products are shown in a graphical overview (right), divided into 'General Info' and 'Subscribes services'.

Services/products that are not purchased are listed in the 'Available services'. If you click on one of these icons, you will be directed to our website for additional information on this product or service.

The screenshot displays the DATEMA Nautical Safety website interface. At the top, there is a navigation bar with 'ELEARNING', 'DOWNLOADS', and 'LOGOUT' links. Below this, a secondary navigation bar includes 'FLEET', 'ORDERS', and 'FLEET TRACKING'. The main content area is divided into several sections:

- General Information:** A section with a 'General info' icon and a link to 'view content'.
- Subscribed Services:** A grid of six service icons, each with a 'view content' link:
 - Automatic supply (Globe icon)
 - eBooks (Book icon)
 - Medical Services (Cross icon)
 - Notice to Mariners (Lighthouse icon)
 - Safety Equipment (Fire extinguisher icon)
- Available Services:** A grid of two service icons, each with a 'more information' link:
 - Digital charts (Compass icon)
 - SatCom (Satellite icon)

On the left side, there is a sidebar with a 'Back to fleet' link and a list of service categories: General, Auto supply, eBooks, Medical, NTM, and Safety Equipment. A 'Support' section provides contact information for DATEMA Direct.

TAB FLEET - GENERAL INFO

By clicking on 'General Info' all information regarding your data known to Datema will appear: ID data, delivery addresses for weekly and monthly delivery and email addresses. And if available, the data from the superintendent.

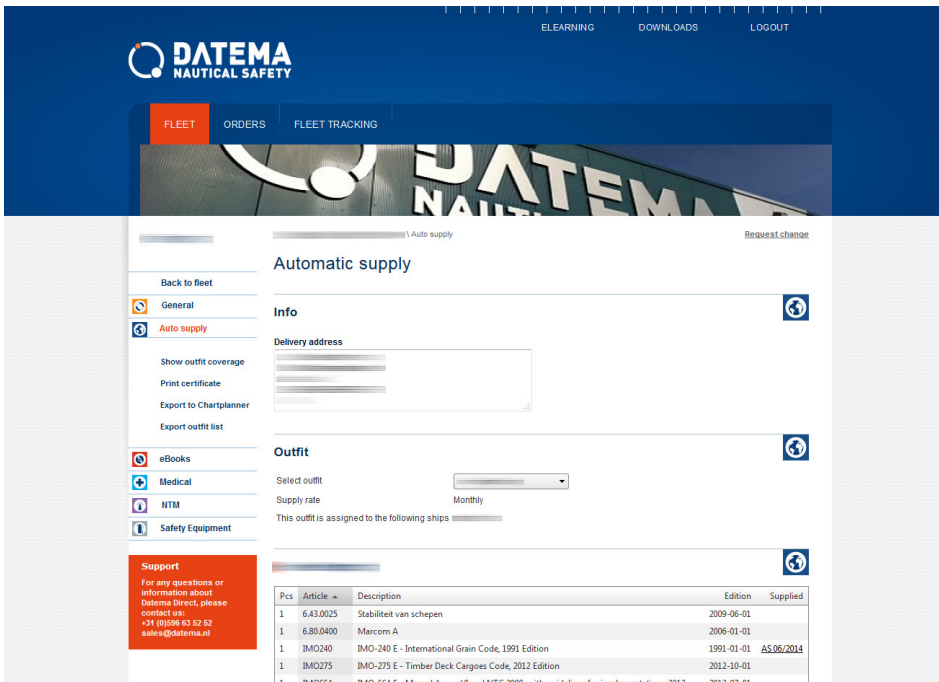

The screenshot displays the 'General info' page in the Datema Nautical Safety system. The page is structured as follows:

- Navigation:** A top navigation bar includes 'ELEARNING', 'DOWNLOADS', and 'LOGOUT'. Below it, a secondary bar has 'FLEET' (highlighted), 'ORDERS', and 'FLEET TRACKING'.
- Left Sidebar:** A 'Back to fleet' link is at the top. Below it are icons for 'General', 'Auto supply', 'eBooks', 'Medical', 'NTM', and 'Safety Equipment'. A red 'Support' box contains contact information: 'For any questions or information about Datema Direct, please contact us: +31 (0)98 63 62 52 sales@datema.nl'.
- Main Content Area:**
 - General info:** A 'Request change' link is in the top right.
 - Info:** Fields include 'Relation ID' (104606), 'IMO', and 'ENC-Online ID' (1027). A note states 'ENC-Online Rights Ship is allowed to order'.
 - Addresses:** Includes 'Weekly supply' and 'Monthly supply' sections, each with a list of addresses.
 - Email address:** Fields for 'Ship Email', 'Ship Email CC', and 'Superintendent'.

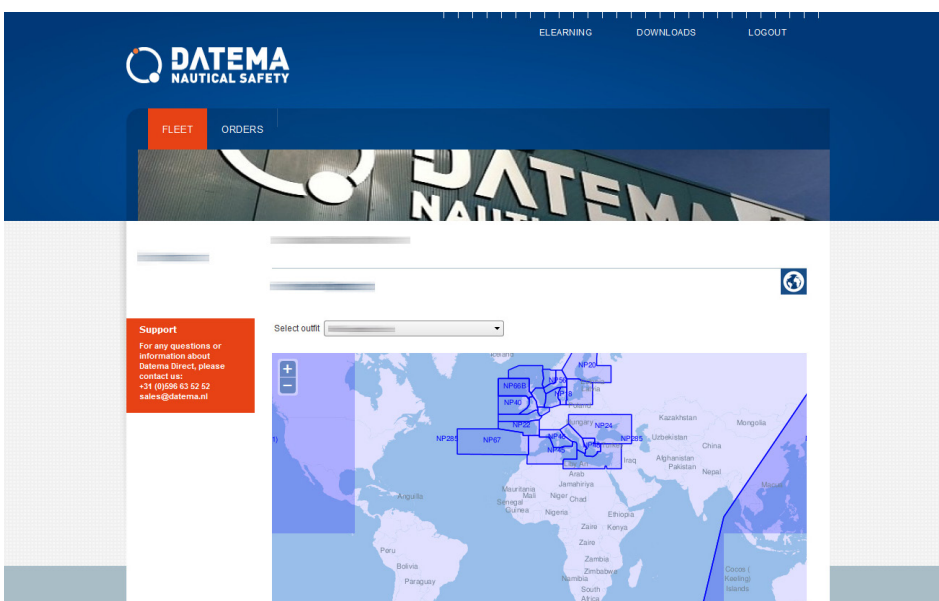

TAB FLEET - AUTO SUPPLY

By clicking on the icon 'Auto Supply', the information regarding your automatic delivery appears: the delivery address, the outfit and deliveries. In the lower window, you can sort the information in different ways by clicking on the text in the bar, for example 'Description' or 'Supplied'.

Items shown on this list are automatically delivered as soon as a new edition is issued. In the lower window, you can find out in which automatic delivery they are provided. You can always see which items are to be delivered or are on their way to the delivery address.

On the left in the legend four other functionalities are displayed which you can use. If you click on 'Show outfit coverage' then the outfit on the world map is displayed graphically.

TAB FLEET - AUTO SUPPLY

The other three functionalities on the left in the legend speak for themselves.

- 'Print certificate' generates a certificate of the automatic delivery.
- 'Export to Chartplanner' allows you to export all data from DatemaDirect to open in Chart Planner.
- 'Export outfit list' generates a list of the outfit for automatic delivery.

The screenshot displays the 'Automatic supply certificate' and 'Automatic supply list' sections of the Datema Nautical Safety software interface.

Automatic supply certificate: This section includes a title 'Automatic supply certificate', a sub-header 'Automatic supply certificate', and a text area stating 'This is to certify that'. It contains fields for 'Ship' and 'IMO', and a signature block for Ronald de Boer, Managing director, dated 2015-APR-03.

Automatic supply list: This section includes a title 'Automatic supply list', fields for 'Name' and 'IMO', and a table of outfits. The table has columns for 'Acs', 'Name', 'Description', and 'Edition'.

TAB FLEET - eBOOKS

The 'eBooks' functionality displays information of various products:

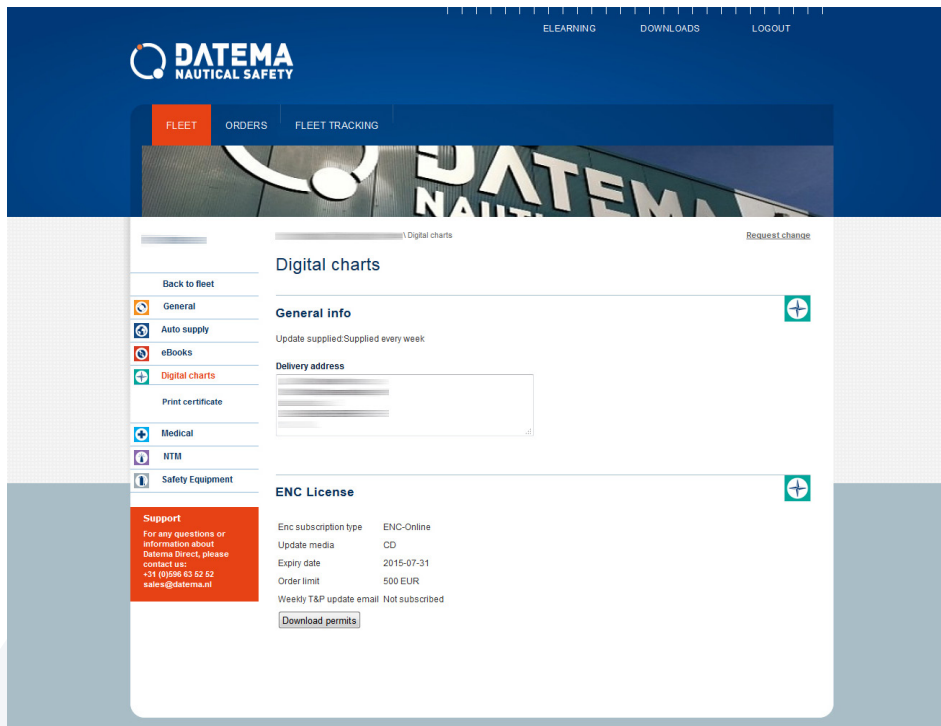

- E-NP: the license details and delivery address.
- ADP: the valid regions of the ADP license and the activation codes including the startup key.

Also the areas in your outfit are shown graphically on the world map. For both products the following applies: the validity of the license will be displayed, as well as if the license is automatically renewed by Datema or not.

The screenshot displays the 'eBooks' management interface on the Datema Nautical Safety website. The top navigation bar includes 'E-LEARNING', 'DOWNLOADS', and 'LOGOUT'. The main header features the 'DATEMA NAUTICAL SAFETY' logo and a 'FLEET' button. The page content is organized into a sidebar and a main area. The sidebar contains navigation links for 'General', 'Auto supply', 'eBooks', 'Digital charts', 'Medical', and 'HTM', along with a 'Support' section. The main area is divided into two sections: 'e-NP' and 'ADP'. The 'e-NP' section displays license information, including the license type, update frequency, and a delivery address form. Below this is a world map highlighting the license area in red. The 'ADP' section shows the expiry date, auto-renewal status, startup key, and update frequency, along with a delivery address form. Below the ADP section is a list of 'Areas' and 'Update Keys'. Two world maps are included: one for 'e-NP' showing license areas in red, and one for 'ADP' showing license areas in red and blue.

TAB FLEET - DIGITAL CHARTS

By clicking on 'Digital charts' the license type is displayed (ENCs/ARCS). Also the expiration date of the permit file is displayed and any set order limit. There is also the option to download the permits, this action opens in a separate window. The delivery address of the weekly update CDs is also displayed in this tab.

The functionality 'Print certificate' generates a certificate with regard to the digital charts.

TAB FLEET - MEDICAL

The functionality 'medical' shows all information in regard to the automatic delivery of medicines. On this page you will also find the functionalities 'Print certificate' and 'Print outfit list' for your convenience.

Datema Direct(BV) is a 100% Dutch owned company. www.datema.nl

TAB FLEET - NTM

The functionality 'NTM' shows all information with regard to the automatic delivery of Notice to Mariners. You will also find the functionalities 'NTM Certificate', 'DNMT coverage' and 'Export dNTM to Chartplanner'. On this page you can also download the so-called 'NTM-plugin'. This file can be opened in Chartplanner after which it will show the complete NTM history.

TAB FLEET - SAFETY EQUIPMENT

Via 'Safety Equipment' you can keep track of the expiration dates of your safety equipment. It is also possible to download all issued certificates. Of course we will keep track of all the expiration dates and inform you at least three weeks in advance when and which equipment has to be serviced.

TAB ORDERS

The tab 'orders' leads to the page with the details of your account(s). By clicking on one of the accounts a new window opens with all the information.

You can view the status of the outstanding orders (left menu), but also view the order history by entering a search term in the search field, such as a part number, order ID or your own PO number.

In front of every order line a colored dot is placed, each color has its own logistical status, for example: yellow - 'logistics' (located at logistics department), green - 'order supplied', red - 'confirmation printed' (handled by the sales department but not yet in logistics). If you place the mouse on the colored spot without clicking, then the status is displayed as text.

TAB ORDERS - ORDER DETAILS

By clicking on an underlined order, all details regarding this order will appear: general information, delivery addresses, track & trace possibility and a summary of the items ordered. In the lower window, you can sort the data. The various lines have colored spots: green - 'all items are delivered' and red - 'no items are supplied' (the order logistics must still be processed). When clicking on the details of track & trace a new window will appear.

The screenshot displays the 'Order details' page in the DATEMA NAUTICAL SAFETY system. The page features a navigation bar with 'FLEET' and 'ORDERS' tabs, and a 'Support' contact box. The main content area is divided into sections: 'Info', 'Delivery Address', 'Invoice Address', a table for tracking records, and 'Order items'.

TAB ORDERS - INVOICE + DETAILS

In addition, you can use 'invoices' in the left menu to see the outstanding invoices and invoice history. Green means that this order is handled, red means that the order has not been reserved/delivered completely and yellow means that the order is partly delivered.

The screenshot shows the DATEMA Nautical Safety website interface. At the top, there are navigation links for 'ELEARNING', 'DOWNLOADS', and 'LOGOUT'. Below the header, there are tabs for 'FLEET' and 'ORDERS'. The 'ORDERS' tab is active, displaying a list of invoices. On the left side, there is a sidebar with 'Back to Accounts', 'Orders', and 'Invoices' options, along with a 'Support' section providing contact information for Datema Direct.

1444504	2014-11-28	Payment within 14 days	489,60	Invoice due to expire
1442953	2014-11-18	Payment within 14 days	269,23	Invoice due to expire

By clicking on an underlined ID number, details on the invoice are shown: general information, billing address and billing information. In the lower window, you can sort all data by clicking on the text in the top bar.

The screenshot shows the DATEMA Nautical Safety website interface with the 'ORDERS' tab active. The 'Invoices' option in the sidebar is selected, displaying the details for invoice ID 1511192. The details are organized into sections: 'Info' (Invoice, Invoice Date, Pay Methode), 'Invoice Address', and 'Invoice details' (a table of items).

Invoice Details

Info

Invoice: 1511192
